Our Mission

Our mission is to provide mental health advocacy and quality services for our community.

Core Values

Integrity

We are committed to the highest standards of behavior, accountability, openness and doing the right thing for the right reasons.

Recovery

We view the individual as a whole person with the capacity to recover, regardless of illness.

Service

We are dedicated to exceeding the expectations of people served, our colleagues and our community by providing high quality services with respect and a positive attitude.

Advocacy

We believe that individuals with mental illnesses should be afforded their full civil rights on an equal basis with any citizen and will advocate for their full participation and inclusion in their communities.
